

English Communication Skills — Solved PYQ Archive

Course Code: 25B11HS111 • Previous Year Question Papers (T1, T2 & T3 Solved)

Question: Explain the 7 Cs of effective communication with technical examples.

1. T-1 Mid-Semester Model Question & Solution

Answer: Completeness, Conciseness, Consideration, Clarity, Concreteness, Courtesy, and Correctness.

In technical documentation, conciseness ensures engineers read critical specifications without ambiguity.

2. T-2 Vocabulary & Mechanics Model Question

Question: Correct common grammatical errors in passive vs active voice engineering sentences.

Answer: "The test was performed by the team" (Passive) -> "The engineering team performed the benchmark test" (Active).

3. T-3 End-Semester Essay & Presentation Question

Model outline for writing a formal technical proposal on Green Computing in Solan Campus.
